An Exciting Future

We are proud to be part of the Transforming Lives Educational Trust as it gives us the opportunity to extend and enhance the experiences we offer our young people.

The introduction of the Houlton Sixth Form provides us with an enhanced platform to do this. We are very excited by what this could mean for our students and we are taking the time to maximise this potential at the moment.

Full details of this collaboration will therefore be published soon.

Please check our websites for further information.

Welcome from the Head of Sixth Form

Ashlawn Sixth Form is a special place to be.

We strive for our students to achieve their best academically.

We inspire our students to aim high with their career aspirations.

Through the culture, we encourage our students to develop their personal character.

Interwoven throughout this 2 year journey, is student support.

We hope you see tonight what a special place this is and want to join our community.
