### Message from the Principal

This week our Year 9 students have been working with Humanutopia, an organisation that creates and runs motivational courses for young people with an emphasis on wellbeing and aspiration. The whole course consists of three elements and this week's session started off focusing on the past and finished at the end of the day looking towards the future, the dreams our young people have and the changes they know they need to make to achieve those dreams.

The work our students completed during their first session this week was nothing short of incredible. They allowed themselves to be vulnerable in the way that they expressed themselves and the personal testimonies that we heard were so brave and they were commended by their peers for their bravery and their openness as they considered barriers to their own success and how image and friendship groups can often operate like 'snakes and ladders,' with the 'snakes' influencing you to make poor decisions and the 'ladders' encouraging you to have a positive impact.

So often, young people are concerned with their image and their 'social set' but the dynamic of the day did not allow for this. Working with students that they didn't necessarily know well may have felt strange at first for everyone, but this did not stop our students being engaged with the activities – one of my favourite moments was the opportunity for students to recognise others for showing a different side to themselves and the discovery that beneath the 'image' there was a wonderful, caring person that they just hadn't had the chance to get to know.

Our Year 9s are to be commended for the way that they participated - we were so proud to hear that this year group had been the best group our amazing presenter, Steve, had ever worked with.

Before the end of the session, our students committed their dreams and planned changes to paper and it was very powerful to hear what they have planned for themselves. The year group showed us what incredible potential they have and we can't wait to see what they will achieve in sessions two and three over the next two months.

## **Attendance & Punctuality**

Good attendance and punctuality to school is vital if students are to succeed and reach their full potential. Every day that a student is late will impact their learning time in school.

We monitor attendance and punctuality very closely in order to ensure that ALL students arrive at school on time, ready to learn.

We expect ALL students to be in school by 8.40am, ready to start form time at 8.45am. If students arrive late to form time then they will be marked as late regardless of what time they were on site. If students arrive late on 2 occasions or more then they will attend a same day detention for 15 minutes.

Although we want every student to achieve 100% attendance we understand that there are times when they may not be able to come to school as they are really unwell. If this happens it is vital that you contact school via EDULINK or by phoning 01788 532831.

PLEASE DO NOT EMAIL INDIVIDUAL TEACHERS OR THEIR HEAD OF YEAR.

If at any time you feel that you need support with your child's attendance or punctuality then you must talk to us.

Your child's Form Tutor or Head of Year are here to support you throughout your time in school.

## The Paper Birds Theatre Company Workshop

On Tuesday 5 April the Drama Department had the pleasure of welcoming The Paper Birds Theatre Company to Ashlawn School. The Paper Birds Theatre Company

The Paper Birds Theatre Company are theatre practitioners that influence both GCSE and A Level study, so it was so wonderful to watch 21 of our students interacting in this two hour workshop. They showcased their creativity whilst learning new skills in devising theatre and it was brilliant to see the interaction between students across various year groups.

Georgie Coles, workshop leader was so complimentary of our students, commenting on how they were all so willing to collaborate with such a positive attitude. We were so proud of them and loved seeing their smiling faces whilst working in the studio.

We very much look forward to continuing to forge links with The Paper Birds and other theatre practitioners here at Ashlawn.

Mrs Ballinger and Mrs Garner

Meet Chris Bolton

Hello, I'm Chris Bolton and I am Vice Chair of the Ashlawn AIM Board. I have been a Governor/Partner at the school for 3 years.

I have been involved in education all my working life. I started off as a secondary school teacher of English in Gloucester and then spent 20 years in the world of teaching English as a foreign language overseas and in the UK. Most recently I worked for a number of examination boards including Pearson which owns Edexcel. At Pearson, I was responsible for qualification development and accreditation and also for policy. I am now semi-retired and work as a consultant but that doesn't seem to be working quite as I had imagined as I am busier than ever. I live in a small village a few miles away from Rugby where I am also the Vice Chair of the Parish Council.

At Ashlawn I am the 'link' Governor/Partner for SEND and I also write a monthly education policy and news update for all the Governors in the Trust. I am a passionate advocate for those learners who need extra support and care.

The Ashlawn Board is made up of a wide range of people who are committed to ensuring the school and its learners continue to excel at all levels. However, we are always looking for more volunteers to add their experience to the Board.

## Summer Term Extra-Curricular Activities

This Summer Term we welcome students of all abilities in Years 7 – 10, to take part in athletics on Tuesdays after school from 3:30 pm until 4:30 pm.

Girls rounders will take place on Wednesdays from 3:30 pm - 4:30 pm and once again all abilities are welcome from students in Years 7 - 10, we would love to see some more faces.

On Sunday 24th April, Zoe D competed in a triathlon relay. There were three teams and 90 others that were competing against. Zoe was part of a new all girls team and it was their first triathlon of the season.

Congratulations to Jacob M for reaching the Semi-Finals of the Under 18 National Bowls Competition.

On the 3rd April I got to the semi-finals of the National under 18s Bowls singles (last 4 in the country under 18). Out of the 3 others I had to compete against to get to the semi finals, 2 of them play for England. I drew my first game and then won the other 2 games against the England players. I lost the semi final, and the guy who beat me went on the win.

Lila is the new Northampton GC Juniors Masters Champion 2022 shooting a level par gross 73 in the much coveted mixed junior event with 6 birdies, 6 pars and 6 bogeys.

She also made her debut for Northants County Ladies winning her foursomes match and her singles match. This has led to a call up to represent Northants County Ladies First Team at Ladies County Week in June against some of the best female golfers in the Country.

Lila, along with Jenna were crowned Northants FA County Champions with Northampton Town Girls U14s emphatic 5-0 win over Brixworth in yesterday's County Final at Corby Towns Stadium.
