New A level Language Students' Summer Homework

1. Complete the linguistic terminology table with definitions and examples.

2. Now create a textual scrap book.

   This should include examples of political speeches, cartoons, newspaper and magazine articles, fliers, leaflets, letters, emails, blogs- anything really that has a specific 'language'.

   Each item should **be highlighted/annotated with your observations (essentially justifying why you chose it) and terminology from your first task. You will be graded on your accuracy and thoroughness for these annotations.**

   You should have **a minimum of 10 items-** it is up to you how you display it.

3. Make a list of 5 topics of **language use** you would find interesting to investigate

   eg. How different politicians use language / The language used in sport commentary
