## WHEN CAN I SPEAK TO SOMEONE?

You or a family member can talk to a member of staff at any time about a worry or a concern that you may have about yourself or a friend.

You can report your concerns through the safeguarding email [safeguarding@ashlawn.org.uk](mailto:safeguarding@ashlawn.org.uk). This email is monitored by the DSL's in school.

At any time you can speak to a trusted adult that you have identified on your network hand.

## WHY IS IT IMPORTANT?

From time to time, students can suffer abuse from adults and also other young people.

Abuse can be physically, sexually or emotionally harmful or neglectful and can happen in person or online, at home, within the community or in school.

We want to make sure that everyone at Ashlawn is protected from abuse and harm.

## HOW WILL YOU KEEP ME SAFE?

We will educate you to ensure a strong culture of diversity and inclusivity where difference is celebrated positively.

We will educate you to keep yourself mentally and physically healthy.

We will educate you to stay safe online and out in the community.

All Ashlawn staff are trained to spot the signs of abuse or neglect.

Staff are trained to deal with incidents of abuse from adults to children and also abuse which can occur between young people.

We will always listen and act upon your concerns. This may involve working with your parents or carers or getting help from other services outside of school.

Your wishes and feelings will always be considered.
