1 – Scope

1.1 This policy applies to all occupants of the Transforming Lives Educational Trust (TLET/The Trust) estate.

- ensure academy staff and AIM Boards are aware of their responsibilities with regards to health and safety when engaged in activities taking place offsite, such as, but not limited to, trips and sporting events.

3 – Principles

3.1 In addition to traditional First Aid provision, the Trust's First Aid Policy recognises the importance of Mental Health First Aid and makes provision for training of staff in order for the Trust's academies to be able to offer Mental Health support to its pupils and staff.

3.2 This policy is based on the [Statutory Framework for the Early Years Foundation Stage \(EYFS\)](#), general advice from the Department for Education on first aid and health and safety in academies, and the following legislation:

- [The Management of Health and Safety at Work Regulations 1992](#), which require employers to make an assessment of the risk to the health and safety of their employees;
- [The Management of Health and Safety at Work Regulations 1999](#), which require employers to carry out risk assessments, make arrangements to implement necessary and arrange for appropriate information and training;
- [The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 2013 \(RIDDOR\)](#), which state that some accidents must be reported to the [Health and Safety Executive \(HSE\)](#), and set out the timeframe for this and how long records of such accidents must be kept;
- [The Social Security \(Claims and Payments\) Regulations 1979](#), which set out rules on the retention of accident records;
- [The Education \(Independent Academy Standards\) Regulations 2014](#), which require that suitable space is provided to cater for the medical and therapy needs of pupils
