

July 2022

Dear Parent/Carer

I am so pleased to confirm that I will be continuing as Head of Year, taking the current Year 8 into Year 9 next year. I have so enjoyed getting to know and working with the Year 8 students, I am excited that I can continue their school journey with them. The students have shown such resilience this year, the first full academic year since 'lockdown' and I am proud of the successes they have experienced.

Next year, the students will face some big decisions regarding their next steps in education and you will receive some information to help guide you through this process in due course.

As we end the current year and begin to plan for a successful year in September, we look forward to working in partnership to help your child to meet their potential. The following important information will help your child to have a successful start to the new academic year. We appreciate you taking the time to read this so that you can support your child to have a smooth start to the year and for them to be prepared to learn and meet school expectations every day.

#### **Induction Day:**

The induction day for year 9 will be Thursday 8 September, which will help students to prepare ready for their timetabled lessons starting Friday 9 September. On Thursday, students will be with their tutor groups, and roomings will be signposted on entry to the school.

All students will be participating in a full induction programme at the start of the academic year, designed to inspire, challenge and support them in having a positive start to the new school year.

### Other uniform notes:

- Make up should be subtle and designed to enhance rather than accentuate features
- Students may wear one pair of stud earrings and one watch. Please note that earrings **must** be removed for PE, therefore care should be taken when choosing to pierce ears.
- No other jewellery is permitted. **All other jewellery, including any facial piercing jewellery, will need to be removed upon entry to the school site.**
- Hair should be of a colour that is considered natural. Extremes of hair colour or style are not permitted. Hair should be styled in a neat style that allows participation in all activities. Longer hair will need to be tied back for PE and other practical activities and should not cover eyes during lessons.
- Nails should be of a length suitable for all activities, including PE. All nails should be short and, if painted, be a neutral colour. Please note that students will need to file down long nails if they attend school with nails of an unsuitable length to safely participate. Please do not allow long extensions during the school term unless you are happy for your child to be directed to file them to a suitable length for all school activities.

### Equipment:

The following equipment is essential for each student.

- School bag, large enough to hold A4 sized books and equipment
- Pencil case
- Black or blue pen x 2
- Green pen for responding to feedback
- HB pencil x 2
- Rubber
- Sharpener
- Ruler, 15 or 30cm
- Highlighter pen
- Scientific calculator

### Homework:

I would greatly appreciate your support in regularly checking Edulink for homework which has been set and ensuring your child is able to meet the deadlines for these.

### Mobile Phones/airpods:

Mobile phones and airpods are not permitted in school. Students should hand these into their Head of Year at the gate if you prefer that they use them during their travel to and from school. If a student is seen with a phone, either in their hand or in their pocket, this will be confiscated and returned at the end of the school day. If a student is seen using a phone within the school grounds this will be confiscated and will need to be collected by a parent or carer during reception opening hours.
