Welcome to Ashlawn School Library!

May 2023

Dear Student

When you arrive in September you will have an induction to the Library, sometime during the first half term, usually through your English lessons. I will talk to you then about how to use the Centre, the types of resources we have available and what is expected of you when you come in to use the facilities. You will also be given a Student Handbook during the induction for you to keep and refer to.

To help prepare you for what is expected of you a Library Student Code of Conduct information sheet is available below. These are 'the rules' that we expect you to observe when using the Library. Please read through with your parents / carers and become familiar with what is expected of you when you come to use the library.

I look forward to meeting you all in September and I wish you all a very enjoyable summer.

Happy reading!
